Gentlemen :

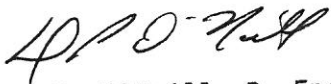

Re : Blowout - Excel et al Sutton 6-35-92-3 W6M

Thank you for your prompt response and professional handling of this emergency. Excel is a new name in the industry and we are attempting to build a reputation as a competent, conscientious operator. This unfortunate incident could have been a severe setback for us but because of the work of yourself and the other Safety Boss personnel, it may be deemed an indication of our ability to handle a crisis situation.

Once again, sincere thanks on behalf of all the staff at Excel.

Yours truly,

EXCEL ENERGY INC.
