MIKE
Dear Mr. Miller:

I appreciated the opportunity to participate in the official opening of the SAFETY BOSS office in Dubai on May 4, 1992. I trust the office will enhance your business opportunities in the Middle East region.

On behalf of the Alberta Government, I extend our congratulations on your immense success in extinguishing the oil well fires in Kuwait following liberalization. Your success immediately enhanced the reputation Safety Boss has world wide. You set a fine example of the high calibre and professionalism exhibited by many Alberta firms. The success achieved by Safety Boss has also opened doors for other Alberta firms interested in doing business in the Middle East.

Again Michael, thank you for the opportunity. If I can be of assistance in the future, please do not hesitate to contact me directly.

Yours truly,

Rick Orman
Minister of Energy
